

“It is hard to describe the depth of feeling I experienced on this trip. I know that my community will look different to me. I will see the ‘overlooked and underserved’ there and I will have to respond. My heart is full.”

Young Women’s Action Web: July 14-20, 2010 Pacific Southwest Region: San Diego

The purpose of the Women’s Action Web is to provide for Disciples Women a week long learning and training event that will equip women with the tools needed to do mission in their communities.

The participants will build a faith community in which learning leads to:

1. *Developing an awareness, through site visits and panel discussions, that the needs and solutions in the areas visited are similar to those in the participant’s region and community*
2. *Being able to recognize needs in one’s region and community*
3. *Developing skills to create ministry where needs are not being met*

Criteria for Participants

- Open to learning, willing to study, physically able to participate
- Connected to structures for women in their district
- **Able and committed to plan/lead a similar experience in their district**
- Diverse in age, ethnicity, economics, and geographic area

**Sponsored by
